Cigarettes and other tobacco products will not be sold (including from vending machines) at any time, at or by the club.

The Club rooms including change rooms
The Club equipment sheds.

Smoking is permitted in all outdoor licensed areas, but only at a distance of greater than 1 meter from the bar or any building entry/exit point.

Policy Communication / Promotion

Effective communication of club smoke-free policy is vital in establishing its acceptance by our patrons, in minimising policy breaches and in developing a smoke-free culture.

The club will promote its smoke-free policy regularly by:

- publishing a copy of the policy in club newsletters, on club notice boards and in printed member/player information
- displaying a copy of the policy in the club social rooms
- ensuring invitations and advertising for all functions, meetings and events will be promoted as smoke-free.
- periodic announcements to members at functions.
- placing non-smoking signage in prominent locations of club facilities both indoors and outdoors.

All Committee Members, coaches, players and volunteers will be provided with an up-to-date copy of the club's smoke-free policy and will be requested to abide by, promote and monitor its implementation.

Non-compliance

All club committee members and other identified club personnel will monitor the smoke-free policy. Any non-compliance will be handled according to the following process:

- explain the club policy to the person/people breaching the policy. Ask the person or people to either move to an area where smoking is permitted or to stop smoking.
- continued non-compliance with the policy should be handled by the club committee member or other identified club personnel using their discretion to decide the appropriate action to be taken. Action may include asking the person/people to leave the club facilities or function.
